**Decks for Kids** The Riders Club participated in the York County Mini Makers Faire York introducing **\*\*how to build a skateboard.\*\*** To date we have donated over 25 skateboards and helped nearly 100 kids with skateboard gear and essentials. We are in hopes to raise \$4000 in the next few months so that we can continue to support SURF SKATE SNOW programs for kids throughout Maine.

In order to continue to provide our quality SNOW SKATE SURF programs for Maine kids we need to reach out to our communities and neighbors each year for support and donations. This past fiscal year The Riders Club had an operating budget of \$7,800. This year we anticipate our operating budget to be \$11,800. We graciously accept any assistance that you can offer, and we thank you in advance for your support.

No donation is too small, and we will accept any donation of \$1 and up. You may also donate through PAYPAL via the link on our website. We also have a "donate your bottles/returnable funds" through the Hannaford CLYNK.COM commerce. Go to the Fundraising Page, Browse Communities button, and type in THE RIDERS CLUB. Then click donate to the organization.
